GIRL DIES ON THE OPERATING TABLE

Gertrude Jones of Falmouth Expires
in New York Hospital Where
She Went For Operation

FACE DISFIGURED BY BROTHER

Vain Attempt to Prepare For Place-
ment of Glass Eye to Take Place
of One Shot Out June 19

Gertrude Jones, age 22 years, a well known young woman of Falmouth, and assistant cashier in the bank of that place, died yesterday afternoon during an operation in a hospital in New York City, according to word received last night. Miss Jones was seriously wounded on June 19 when her brother Cary shot her through the right eye, and committed suicide after badly disfiguring his sister.

The wound from the shotgun penetrated her right eye, and tore away a portion of her eye lid and a piece of the bone, making an operation necessary for the placement of an artificial eye, and she died from weakness due to the ether, while on the operating table yesterday afternoon.

Miss Jones had recovered from the effects of the injury at the Dr. Sexton hospital last summer, and as the wound had mended, she left about six weeks ago for the New York hospital for the operation to have a glass eye set in place.

An operation was performed three weeks ago, whereby the specialists grafted new skin to form the eyelid, and the operation yesterday was to place a new piece of bone in the socket and remove the eyeball. The message received here stated that she could not hold up under the influence of ether and her heart failed.

It will be recalled that on the night of June 19, Cary Jones, her brother, entered a room where his sister had just entered, and fired at her within close range with a shotgun, and then turned the gun on himself, killing himself instantly.

His motive was believed to be jealousy over the company that his sister was keeping. Miss Jones remained in a serious condition for several days, but gradually recovered.

FISTICUFFS BARELY AVERTED AT HEARING

Sen. Tom Watson Threatens to Slap
Jaws of Army Officer and is
Pacified by Sen. Shields

SCOPE OF HEARING NARROWED

(By United Press)

Washington, Dec. 9.—Fisticuffs were narrowly averted today at the senate investigation of the sensational charges made by Senator Tom Watson that American soldiers were hanged without trial in France, when the fiery Georgian tried to slap the face of an army officer attending the hearing.

Watson was finally pacified by Senator Shields, Tennessee, and Senator Brandegee, chairman, ordered the officer from the room with a curt "get out of here."

The clash occurred after Watson had protested the committee was giving him a strangling jolt by narrowing the scope of the investigation to the one charge that soldiers were hanged without trial.

Suddenly Watson turned from the committee to a table nearby at which sat Colonel W. L. Bethel and Major Cochen. Advancing upon them and shaking his first, Watson shouted: "You can't brand me. I will slap your face. You think you are in France talking to a private. For two pennies I would slap your jaws. I know what my witness expects from such a man as you."

The officers sat and glared back at Watson but made no attempt to move. The sergeant-at-arms turned to Senator Watson and stated that he was "not at liberty to insult these army officers." "Feeling that I have been insulted, I will retire," said Watson.

COURT WITHHOLDS JUDGMENT IN CASE

Ora Patterson and Isaac Wells
Plead Guilty to Charge of Steal-
ing an Overcoat

A. H. SWAIN FILES AFFIDAVIT

Divorce Case of Russell Faust
Against Louva M. Faust of Car-
thage Heard by Special Judge

Two men, Ora Patterson and Isaac Wells, were arraigned late yesterday on a charge of grand larceny, each pleading guilty to the charge, and Judge Sparks withheld sentence for the present, and allowed the young men to go on their own recognizance.

It was charged in an affidavit signed by Alva H. Swain that they stole an overcoat on the night of November 6 from Charles Linville. The prosecuting witness did not appear with the men, which accounted for the judgment being withheld for the present.

In the circuit court today a divorce suit occupied the court, with Thomas M. Green acting as special judge. The case in which Russell Faust is plaintiff and Louva M. Faust defendant, attracted considerable interest from the Carthage neighborhood where the two parties reside.

The evidence was slow this morning and the case was still in progress this afternoon.

A motion to modify the decree and for a new trial was filed by the defendant, Anthony Locke, in the divorce suit heard here recently, in which Mrs. Emmogene Locke was granted a divorce and \$3,850 alimony. The parties reside in Connersville and the case was sent here on a change of venue. Gates Ketchum heard the case, acting as special judge.

Two new suits were placed on file today, one being filed by Samuel N. Patterson, against John T. Meek and Elbert E. Meek of Greensburg, the complaint being to collect on a note, in which judgment amounting to \$5,800 is demanded.

According to the complaint, the defendant negotiated a loan for \$5,175 and it is past due, which with interest and attorneys fees, accounts for the total demand being for \$5,800.

Louie E. Jacobs, a resident of Center township, is plaintiff in a divorce suit against Fred Jacobs, the complaint alleging cruel treatment. According to the complaint, they were married in October 1920, and separated on November 23 of this year.

Mrs. Jacobs, the plaintiff, alleges that her husband talked about living with a woman in Muncie, whom he loved better than his wife, and that he is now believed to be living with her in that city. She asks \$250 alimony and an absolute divorce.

SAFETY LAWS ARE TOPICS IN SCHOOL

Means of Protecting Children Dis-
cussed in Connection With
Education Week

SPECIAL BLANKS PREPARED

Distributed Among School Princi-
pals to Give Patrons Oppor-
tunity to Report Violations

The schools of the county also are observing this week in connection with the educational program, a series of lessons along the line of National Safety week, in order to get before the pupils and the public the laws concerning the safety of school children.

County superintendent W. E. Wagner has prepared blanks for the parents of the school children, in which violations of the laws regarding the safety devices, should be brought to the attention of the officials, and prosecution started to prevent accidents.

The blank has a place for checking off of the violations noticed, and the name of the person using the blanks will not be divulged unless in legal necessity.

The first blanks to be checked is where a driver of an automobile drove past a school hack that was standing still, loading or unloading school children.

The second check is where a motorist was seen driving past a school building at an excessive rate of speed.

The next space to be checked is where a school hack driver failed to bring the hack to a dead stop and send a responsible person ahead to determine if railroad or traction crossing is clear of any trains, before the hack passes over the tracks.

The fourth and last check place is to be used for any other condition that unlawfully imperils the life of a school child.

The blanks are prepared with spaces for the person to fill out, giving the license number of the automobile.

AGREEMENT TO BE ANNOUNCED MONDAY

Announcement That Will Thrill
World Will Probably Be Made at
Arms Conference Session

JAPAN ACCEPTS NAVAL RATIO

Washington, Dec. 9.—Sweeping success of the arms conference was assured today.

Agreements on major problems before the conference that will thrill the world probably will be announced at a plenary session to be held Monday or early next week.

The Japanese delegates today gave definite assurance to the British representatives that the 60 per cent capital ratio allotted her in the Hughes limitation of naval armament program had been accepted by Tokyo. General approval at least already has been given by the United States, Great Britain, Japan and France to the quadruple Pacific entente of these powers which the United Press a week ago exclusively announced had been arranged by the "big three."

Tokio, however, awaited upon the solution of several details respecting naval holdings in Pacific before final signature is attached. The Japanese still stand on their original position of creation of no naval basis in the Philippines and Guam, such as it is understood America has planned.

These agreements, according to the best information, are to be received officially by the plenary session in much the same dramatic manner as Secretary of State Hughes opened the conference and startled the world with his sweeping program for limitation of naval armament.

The four power agreement which is to preserve the peace of the Pacific and scrap the Anglo-Japanese alliance, probably will be made public within the next few days, possibly at the plenary session.

"CLOSE THE GAP" IS WHITE'S PLEA

Speaker at Get Together Banquet
Urges Reduction of Difference in
Farmers Selling and Buying Price

TWO HUNDRED ARE PRESENT

Chicago Advertising Man Empha-
sizes Importance of Farming And
Consideration That it Deserves

"Close the gap between the price the farmer receives for his products and the price he pays for the necessities he must buy," was the theme of Frank B. White of Chicago, advertising expert and managing director of the Agricultural Publishers' Association, at the banquet Thursday night for city and country business men at the Knights of Pythias building, which was the closing event of the Rush county Products Show that opened last Monday.

The crowd of two hundred persons present was in excess of the number expected, and close attention was given the speaker throughout the hour's discussion of community problems and the relationship that should exist between city and country people.

Fred Bell, president of the Rush County Farmers association, presided and introduced the speaker. Seated at the table with the speaker besides Mr. Bell were Harry McMillin, Cliff Winship, Judge Will M. Sparks and Ernest B. Thomas.

Homer Cole's orchestra played a number of selections while the crowd was assembling and during the serving of the bountiful and delicious chicken dinner by the Pythian Sisters. Miss Louise Innis offered a reading which was vigorously applauded, before Mr. White was introduced, and the banquetters stood and sang "America."

In presenting the speaker, Mr. Bell congratulated Rush county on the good feeling which had been engendered between the city and country people and expressed the hope that so much time would not elapse between this and the next get-together as has passed since the last one.

"We are meeting to advance our common interests," said Mr. Bell. "And in improving our conditions we are only fitting ourselves better to serve in the capacity in which we are daily employed. If we are working simply to accumulate wealth, we are not fulfilling our mission, but we are taking up a lot of valuable space which should be utilized by some one willing to serve the community in which he lives."

Mr. White put the crowd through a lot of gymnastics, such as "skipping the cat" and "rowing a boat" which he said, got the blood to circulating and put his hearers in a better frame of mind. He also told a few good stories which did place the people in the audience in a receptive mood and ready to listen attentively.

He talked along the lines of community building and started out by saying that a community, in order to have a place in the world, must have good people, good farmers, good merchants, good schools, good doctors, good churches, good lawyers, good bank, good highways, good shipping facilities and good homes. He went on to say that the United States, and especially this section of the country, is dependent more or less on the agricultural pursuits and that any community, in order to make the progress that it desires, must take into consideration the farmers interest. The speaker, on continuing, referred to the fact that a very large percentage of the successful business men of the country today were reared on farms. Young men from the farms are today attending agricultural schools and returning to the farms with an enlarged vision. Then, the speaker said, agriculture tends to lead to independence and inasmuch as 60,000,000 people out of the 100,000,000 people of the United States are dependent it is easy to see that anything that will overcome this condition is of vast benefit.

Mr. White presented figures showing that there are ten times as many persons engaged in farming as in the next largest occupation. The rural population of the United States is 53.8 percent of the total population.

Merril Couch of Newcastle Pleads
Guilty And is Fined

Merril Couch of Newcastle, who was arrested by the deputy state game wardens while hunting in northern Rush county without a license admitted late yesterday that he had not taken out a license and pleaded guilty, receiving a fine of \$5 and costs, amounting to \$21.70.

Couch after being arrested stated that he left his license at home, and as security left his shotgun in charge of Justice Stech, returning here late yesterday afternoon, and changing his plea. A companion of Couch, who also was arrested, produced his license and was released.

COUNTY MEETING SET FOR TUESDAY

Annual Convention of Rush County
Farmers Association Will Be
Held at Graham Annex

PROGRAM ANNOUNCED TODAY

Committees Are Appointed and Final
Preparations Are Made—An-
nual Reports to be Made

The annual meeting of the Rush County Farmers association, the program for which was announced today, will be held at the Graham Annex auditorium next Tuesday. The morning session will be devoted to the reports of officers and committees, in the afternoon there will be short talks by the president and vice-president, with the election of officers and a round table discussion as the last order of business.

Each township association will be represented by an accredited list of delegates, who will have voting power. Others in addition to delegates, of course, will be present and are urgently requested to attend, because many matters of utmost importance and interest to the farmers of the county will be discussed. Each township association will be entitled to one delegate for every ten members or fraction thereof.

Fred Bell, president of the county association, has announced the appointment of the following committees in preparation for the convention.

Credentials—Composed of 1920 presidents of township associations. Resolutions—A. L. Gary, chairman, Harry McMillin and Harold Seall.

Auditing—Phil Wilk, chairman, John Davis and Ferd Retherford.

All of the township associations have held their annual meetings, with one or two exceptions, where meetings will be held between now and Tuesday, and preparations are practically complete for the convention. The morning and afternoon program has been arranged as follows:

Morning
Invocation.
Report of Secretary.
Report of Treasurer.
Report of County Agent.
Report of Credential Committee.
Afternoon
Music by Rushville School Girls' Glee Club.
Short talk by President.
Short talk by Vice President.
Report on corn financing by F. W. Lightfoot.
Election of officers.
Round Table Discussion.

MURDER CASE IS READY FOR JURY

Lorenzy Ashcraft, Accused of De-
liberately Killing Raymond Craig,
Last on Stand

ACCIDENTAL, HE CLAIMS

State Demands Death Penalty in
Trial Beginning at Connersville
Thursday—Jury in 3 Hours

(Special to the Daily Republican.)

Connersville, Ind., Dec. 9.—The fate of Lorenzy Ashcraft, charged with murder in the first degree, was in the hands of the jury late today, with the state demanding the death penalty and the defense putting up a plea of accidental shooting, in which Raymond Craig of Rushville was shot and killed about two weeks ago.

The trial began here yesterday and only three hours were required to obtain a jury, and on account of the small number of witnesses, the defense finished up this morning with Ashcraft taking the stand in self defense.

Ashcraft told the jury that he and Craig were friends and were planning a hunting trip, and that the shot was fired accidentally, just as Craig was getting out of his automobile truck, near the north end of Connersville.

The state contended that the shooting was with deliberate intention, and that following the shooting, he gave himself up, stating that he had just killed a man.

Ashcraft is 29 years old. His first plea was said to be on grounds of insanity, but his attorney presented the case on grounds of accidental shooting.

The defendant was the last witness just before noon today, and arguments began at one o'clock this afternoon, with an hour for each side.

Judge Springer was preparing to instruct the jury after the conclusion of the two hours of arguments, which would give the case to the jury for their verdict at about 3.30 this afternoon.

POLICE, INJUNCTION HOLD STRIKERS AT BAY

Guards Ready to Bring Machine
Guns and Tear Gas Into Play in
Chicago Labor Warfare

NEW OUTBREAKS ARE FEARED

(By United Press)

Chicago, Dec. 9.—Packington was held at bay today by a contingent of mounted police armed with shot-guns and a federal injunction.

Guards were ready to bring machine guns and tear gas into play against striking employees of the packers.

"Cossacks, down the cossacks", was shouted from the crowd and third story windows as the mounted police and motorcycle guards passed houses of the strikers back of the yards.

Renewed outbreaks of the riots after 200 persons had been injured were feared by authorities today as wagons joggled from the packers' barn and trucks thundered down the streets of the district.

As whistles blew summoning the "strikebreakers and loyal employees" to work and as the big doors of America's meat center swung open, police massed their forces to prevent riots and picketing at the gate, thus enforcing the injunction put in force by Judge Denis E. Sullivan.

DARING PRISON ESCAPE

FAVOR IRISH PEACE TREATY

Majority of People of Ireland Rally to Support of Pact

Dublin, Dec. 9.—A majority of the Irish people today rallied to the support of the four cabinet members who favor acceptance of the peace treaty with Great Britain. Presi-

dent De Valera and two other cabinet ministers oppose it. The press of Ireland is unanimously in favor of the pact. Unbiased authorities who should know the real feeling of the people informed me there are three persons in Ireland who would vote in favor of the treaty to every one against. It is considered likely the Dail will ratify by a narrow margin. It has been called to meet Wednesday.

tion and the farmers represent 52 per cent of the purchasing power of the country. Continuing, he pointed out that two-thirds of the farmers own their homes while two-thirds of the people residing in cities rent. The speaker asked if after considering all these facts if it did not look reasonable to conclude that the farmer is a mighty factor in the nation and wanted to know if it wouldn't pay to enlist his co-operation in the betterment of the community.

"A good community," said Mr. White, "must be a good trade center. It must have good people, good farmers, good merchants, good lawyers, good schools, good churches, good doctors, good newspapers, good banks, good highways, good shipping facilities and good homes."

"The welfare of the farmer must be given first consideration for the farmer is the producer, directly or indirectly of nearly everything we eat and wear. The farmer is not the hayseed that the city folks were formerly in the habit of calling him. In 1917 47,000 boys returned to the farms from the agricultural schools and half as many girls from the domestic science schools and colleges returned to the farms. This means better production in the future."

"In the average town there is a trade center taking in a radius of about 10 miles either way."

"In 1906 it took an hour and a half once within a week with a horse and buggy to go to the trade center. In 1917 it took 20 minutes with an automobile to go from the farm to the trade center. Distance has been eliminated and as a result the farmer takes his family in the car and he goes to town after a hard day's work, his team is resting and he comes back refreshed. Seventy-five per cent of the automobiles are sold to farmers."

"Farming is a business that requires more capital than the average business. The farmer that hasn't a capital of \$25,000 these days is not considered much of a farmer. The farmer today must be a business man. Fundamentally he is a laborer so he is in sympathy with the working man. He is not only a business man and a laboring man but is a capitalist as well, so he is in sympathy with all classes. Labor unions in the cities today are flirting with the farmer and when these two big forces combine there is nothing that they will not be able to do. Commerce of America today rests on a tripod—capital, labor and agriculture."

If there ever was a time when we should be neighborly with our farmer, help him in every possible way, urge him to sit tight and pursue a neighborly course, it is now. It is the individual effort that is also going to count in these days. The getting while the getting is good will prove a boomerang, and some of us are already feeling the effects of it. It is time for us to quit talking about profiteers, big business and profits and get down to fundamentals, put our feet on the ground and consider whence comes our bread and butter. Unless we do this we will have to grow our own potatoes or go without."

Mr. White strongly favored the "Own a Home" movement and cited the fact that two-thirds of the country people own their own homes, while two-thirds of the city people are renters. He urged the farmers, the business men and the heads of the commercial organizations, to get behind every movement that would result in the erection of more homes. He also cited the fact that a recent investigation demonstrated the fact that ninety per cent of the personal of all business, including bankers, merchants, and in every line had been born on a farm and had left the farm because farm life had not made attractive enough.

UNCOVER GANG OF THIEVES

South Bend, Dec. 9.—Railroad detectives and local officers declared today they had uncovered a gang of thieves who systematically looted South Bend and Mishawaka stores in the arrest of L. C. Green, proprietor of the L. C. Cross, Overall Co. Their loot to date was said to total \$75,000. It is charged Green was the fence.

CAPACITY OF ARMY HALL TAXED BY CROWD

Col. Addie Preaches Powerful Sermon Addressed to Backsliders at Thursday Evening Service

URGES RETURN TO FIRST LOVE

The Salvation Army revival which is now in progress at the Army's building in Pearl street and is being conducted by Colonel J. C. Addie of Chicago and Captain J. W. Westbrook of Texas, is growing in interest and enthusiasm. The capacity of the hall was taxed last night when Col. Addie preached a powerful sermon, addressed mostly to backsliders and Christian people who have lost that real vital experience. Instead of being like a great river of living water flowing incessantly to bless, they have become an inactive pool, only to breed stagnation, the evangelist said.

He urged those who had lost their first love to return to their early experience and begin their Christian duty again in dead earnest. At the close of his address two persons arose and came kneeling at the altar for prayer.

This evening Colonel Addie's subject will be "The Up-line to Heaven and the Down-line to Hell". The services begin each evening at 7:30 o'clock in the Army's hall in Pearl street. The program for Monday evening's wind-up service in the court house has been completed. Samuel L. Trabue will be chairman at that time. The entire program will appear in this paper tomorrow.

MERRITT BARTHOLOMEW DIES

Announcement has been received of the death of Merritt Bartholomew, who at one time was head of the Rushville police department, who died on November 24 at his home in Portland, Ore. The deceased left here several years ago, but will be remembered by many of the older people. A sister, Mrs. John Marsh of Milroy is among the survivors.

The County's Greatest Need

The Rush County Products Show, above all other things, clearly demonstrated what Rush county's greatest need is. He is a very poor observer, indeed, who did not appreciate it after a visit to the exhibits in the Kirkpatrick garage and the court house.

A coliseum, a stock pavilion, or under any term you may see fit to designate it, is fast becoming a vital necessity to the proper conduct of affairs in Rush county. The products show only offers another argument in favor of such a project.

The need has been realized for several years, and the show only brings the realization closer home when farmers discover that there is no place where they may make an exhibit of their entries to advantage in any kind of a show. The county products show, of course, has come to stay, especially since the county fair is no longer held.

In the end, the products show at this season of the year will be more satisfactory in producing results than was the county fair, the original purpose of which was lost sight of in the demand of patrons for pleasure. In passing, it might not be amiss, to remember that the county fair failed largely because farmers lost interest in the competition for prizes, and that the annual exhibit was perverted to satis-

fy the inordinate desire for cheap shows and concessions.

The county products show demonstrated that it meets the desires of farmers by the number of exhibits which were entered and makes clear that it will survive. This is due in a large measure to the fact that farming has shown great improvement since the days of the county fair. The farmer has made greater strides in the last ten years than any other business man. This has been seen in Rush county by the modern methods which have been adopted and the tendency of farmers generally to raise only pure breed stock.

A coliseum would not only provide a place for the annual products show, but would afford a community center around which all activities would revolve and would serve to bind the community closer together and make it a more compact and therefore more successful place.

A coliseum would make it possible to enlarge the scope of the products show to include all classes of live stock and would also provide a place for holding public sales, which are a development of the new era in farming. Social activities and amateur athletics would also be benefited to a great extent.

Such a project was once presented to the voters of Rush county as a memorial to Rush county's soldiers in the world war, but it was turned down. Knowing what they do now, it is believed farmers would hesitate before they voted against such an undertaking. To go ahead as it should and make the most of its opportunities, sooner or later, Rush county must have a coliseum.

Someone said that it doesn't pay to monkey with the golden rule, a fact which many folks discovered long ago.

Don't allow the other fellow to value your own time. He might embarrass you by overshooting the mark.

To be popular you should listen to the troubles of others. They have no time to waste on yours.

If you don't want to be known as a nuisance don't run around with a grievance.

Mortality in this country is on the decrease, except in cases where some fool steps on the gas.

Approved means that the Secretary of State says that they pass all state requirements. We can show you what those requirements are. NATIONAL Lens will give you as much light intensity with 21 C. P. bulbs as the other lens that have a maximum of 32 C. P. Why? Because 21 C. P. is the maximum for National, while some of the other maximums are 32 C. P., and maximums are equal,

and is the greatest amount of light permissible. In focusing bulbs for National lens, they are focused with full circle of light others have to focus to a black spot. 21 C. P. against 32 C. P., with the same light intensity means that it will be easier on your battery. You have lots to learn about lens. Mr. Taylor, of the Secretary of State's office, says that 32 C. ODD FELLOWS ARE OUT OF LUCK, LOSE

Independents Are Defeated by the
Greensburg Y. M. C. A. Aggre-
gation Thursday Night, 34 to 24

FIRST A SEE-SAW AFFAIR

Jinx Follows Locals on Hitting Bas-
ket and Guards Weaken in Last
Half, Allowing Goals

The Odd Fellows basketball team again played out of luck last night on the Greensburg floor, when the Y. M. C. A. team of that city won from the local team in the last half of the game by the count of 34 to 24.

The first half was a see-saw affair with Rushville having the best of the game, and when the period ended, the score was 12 to 10 in the locals favor. The first few minutes of the last half was a real battle between the teams, and the score was frequently tied.

Rushville played in good style and carried the ball through the Greensburg defense time and time again, but a jinx followed the locals on hitting the basket, as the ball wouldn't land safely through the net. The feature of the game was several long shots made by Shaw.

In the last half the guards for Rushville weakened and allowed Greensburg to score several shots which should not have been made. McCoy and Eckel, forwards for Greensburg, played a fast game in the last half and took advantage of several openings.

Brown and Tittsworth started at the forwards positions for the Odd Fellows, and each were guarded closely from beginning to end. Thorpe replaced Brown toward the end of the game, and he connected for two good shots that helped boost the locals score.

Norris and Becker played at guard for the locals, and the services of Petry were missed at the back guard position. Stoops also was in uniform and played a portion of the game at guard. Shaw at the center position showed up well, and scored one-half of the points, making three field goals and six foul goals.

One of the biggest games of the season will be played here Tuesday night when the Shelbyville Independents will come for a game. The locals will have to exert themselves in order to win this game, and the fans will be treated to a real contest.

The line-up and summary of the game last night:

Greensburg (34) Rushville (24)

McCoy F Tittsworth
Eckel F Brown
Meek C Shaw
Jenkins G Norris
Richards G Becker

Substitutions, Greensburg, Amos for Meek; Rushville, Stoops for Becker, Thorpe for Brown. Field goals, Tittsworth, Brown 2, Shaw 3, Becker, Thorpe 2, McCoy 5, Eckel 4, Jenkins, Richards, Amos 2. Foul goals, Shaw 6, McCoy, Eckel 4, Meek. Referee Wiley.

WEBB GIRLS WIN

The girls' basketball team of Webb's high school defeated the girls' team of the Connersville high school last evening in the Hech's rink in Connersville. The game was fast throughout, the final score being 8 to 6. Aileen Riggs, Von Gardner and Mildred Carwein were the point getters for the Webb team.

INTEREST CENTERS ON TONIGHT'S GAME

Richmond Palladium Comments on
Fact That Attention is Drawn
Towards Carthage

ARLINGTON BAND WILL PLAY

The attention of basketball fans throughout eastern Indiana is centered on the Rushville-Carthage game tonight at Carthage, as evidenced by a dispatch appearing last night in a Richmond newspaper, which is as follows:

With high school basketball well under way some good games are predicted for Friday night. The standing of many teams will be determined by the results of these battles.

The Carthage-Rushville game at Carthage, Friday night, is attracting much attention. This game promises to be one of the biggest battles ever staged on the Carthage floor. Both teams are great rivals and will fight from the start of the game until the last whistle.

Carthage has prepared its floor so as to accommodate approximately 1200 fans, and Rushville has made arrangements for 250 rooters to attend the game. They will be accompanied by their band. The Carthage management not to be outdone, has secured the service of the Arlington band.

ATHLETIC CLUB IN ANNUAL ELECTION

Frank Lawrence is Chosen Presi-

GYMNASIUM ABOUT FINISHED

The Arlington Athletic Club held their annual election of officers last night, and Frank Lawrence was elected president, George Wilcoxen vice president, and R. M. Hutchinson, secretary-treasurer. Three additional members of the board of directors also were elected, who are Chester Northam, Lowell Beach, A. J. Shauck.

During the year that the club has been in existence they have expended \$250 for equipment, and a comfortable surplus is in the treasury, according to the report read last night. The new gymnasium will be completed soon, and basketball games will be arranged about the first of January.

There will be a called meeting at the railroad depot on Thursday night, December 15, at which time the basis for a lease for the new gymnasium will be discussed. The Arlington club is not confined to athletes, it has been pointed out, but embraces members of the community who are advocates of clean sport, and the membership in the club is growing so rapidly that it will be a permanent and established community asset.

Jerome Caron and John McCoy of Rushville are among the members of the Arlington Athletic club.

SOCIETY

The Misses Nora Jackson, Rena Rout, Katherine Williams and Henrietta Flodder were among the guests from this city who attended the dance given in Laurel last evening.

The Wi-Hub club will be entertained tonight by Mrs. Robert A. Innis and Mrs. Ralph Payne at the home of the latter in North Harrison street. The club will celebrate their twentieth birthday anniversary with a 6.30 o'clock dinner party and a clever program following.

The December meeting of the Daughters of the American Revolution will be held at the home of Mrs. Joe Amos Thursday afternoon, December 15. At this meeting the Christmas grab bag will be featured and each member is requested to bring a present not to exceed twenty-five cents.

Among the pretty social events which have taken place in this city this season was the musical given at the Elks Club in East Second street yesterday afternoon between the hours of three and five-thirty o'clock. The hostesses were Mrs. Charles A. Frazee, Mrs. Vern W. Norris, Mrs. T. Richardson Reed and Mrs. Will M. Frazee, and approximately one hundred and sixty guests were entertained during those hours.

The room was artistically decorated with French baskets of chrysanthemums, potted plants and ferns. Mrs. Arnold Spencer of Indianapolis formerly Miss Ruth Tevis of this city, rendered a splendid program of solo numbers in costume, and in her pleasing manner delightfully entertained the guests. She was accompanied on the piano by Mrs. Solomon Kiser of Indianapolis. The hostesses served dainty refreshments following the program.

The out-of-town guests included Mrs. John Brown and Mrs. C. B. Dyer of Indianapolis, Mrs. Robert Miller of Chicago, Mrs. Wendell Wilkie, of Akron, Ohio, Mrs. Ella Hadley, Mrs. Frances Hilligoss and Mrs. Charles Parker of Anderson.

good will for his neighbor, comes also the good old custom of Christmas giving. It is with a feeling of great satisfaction that this store is able to offer gift merchandise in assortments that make Christmas giving the old-fashioned joy it once was.

That's a Gift — Luggage!

A genuine gift—straight from the shoulder, also the heart. What can beat a brand new wardrobe trunk to keep one's clothes in apple pie order when traveling or at home? Then, too, there are brown and black bags in leather and heavy strapped bags for men—everyone of them a gift that is a real gift.

Gift Umbrellas

A wonderful array of Silk Umbrellas with gorgeous handles—a lovely gift for any woman. The prices are sure to meet your approval and the styles are quite tempting.

Also Men's and Children's Umbrellas in silk warp and cotton—attractive handles.

Ivory

New shapes and patterns in any article for the dresser of milady. Mirrors, brushes, jewel boxes, puff boxes, in fact, everything in ivory, in cases where you may look through the entire assortment.

Handkerchiefs of Every Description

You can't go amiss in the Handkerchief gift. Our stocks are generous and the variety, it would seem, almost unlimited. All are fresh, dainty and new. From the tiny squares edged with hand-made lace, to the colored handkerchiefs for street wear.

Nips

Have you heard of them? Fifteen small glass tubes, each containing just enough perfume for one occasion, very economical, purse size odors—Houbigant's Ideal, Quelques Fleurs and Coty L'Origan.

Perfume Lamp Burner

Pretty lamps in colors in which to burn perfume. The very newest—a delightful gift.

Mail Order Marriage

Tipton, Ind., Dec. 9—Love's dream had a sad awakening when Mrs. Ben Overturf discovered her mail order husband was not all he represented himself to be.

Ben was thrown in jail here too drunk for examination of his wife's charges and Mrs. Overturf prepared to return to her Minnesota home.

It was just two weeks ago that Miss Louise Reibe, 40, came into town and married the man she never saw before. Their marriage was the culmination of correspondence in which Overturf told her he had a good home, good business, good automobile and was able to give her a life of comfort.

Mrs. Overturf told authorities she had given her husband \$350 which she had saved from her earnings. The break came when he brought home a pint of liquor and lay down in a drunken stupor after telling her to "go fetch my still from the automobile."

Ankle Length Again

By WILFRED FLEISHER
(U. P. Staff Correspondent)

Paris, Dec. 9—The skirts that bloom in the spring tra-la- are going to be ankle length.

This was revealed to the United Press here today by M. Molyneux, noted parisienne style expert as the dress makers began to evolve a plan for spring women's wear.

Long tight sleeves will replace the present flowing style Molyneux declared. Gowns will remain loose with low waist lines.

"The light grays and sombre yellows of the present season will run into a riot of violent and apple green for spring, he said. The colors for the most part will be what you call 'loud'.

"Plain crepes and fancy silks will be the most favored trimmings. They also will be widely used in dresses. "Lace and embroidery will not be used."

New York—Edmund Varchetta hit his 29 year old fiancée on the head with a hatchet because, he told the judge she didn't appreciate the \$7,000 he spent on her.

YES!

I have it, if you are thinking of artistic fancy work.

Have you seen the new rope floss. It's going big—works up speedily and is most effective.

Nowhere will you find such low prices on hand-embroidered articles.

Dozens of patterns here. Make your selection at once and let me do your stamping.

LETTERS TO SANTA CLAUS

Dear Santa Claus: I am a little girl eight years old and have a little brother also a little sister. I want a set of aluminum dishes, a toy sewing machine, a coat and an umbrella. My brother wants a tricycle and little sister a rattle and we also want some candy, nuts and oranges and don't forget mother and daddy also.
Your little friend,
RUTH TRENNPOHL.

Dear Santa: I am a little girl five years old. Please bring me a big doll with curls, a doll buggy and my brother Jules wants a big wagon, a train on track and my baby brother Henry wants a little bear, a doll and we want some good things to eat.
Your little friends,
IOLA, JULES & HENRY CAMPBELL.

Dear Santa: I would like to have a doll that goes to sleep, hair ribbons, stockings and a tablet. Be sure not to forget the rest of the family.
FAY ORME.

Dear Santa Claus: Please bring me a doll cab, two red chairs, set of dishes, a box of handkerchiefs and a nice doll. Bring them to my grandma's in North Hannah street. Don't forget my little cousin Richard. He wants a pair of rubber boots, size 9.
From little,
WANETTA WEBB

Dear Santa: I want you to bring me a rain cape, a doll baby, a kit-

chen cabinet. Also some candy, nuts and oranges. Don't forget my little brother Bobbie Eugene. He wants a rattle box.
With love,
HELEN MAE BARNETT.

Dear Santa Claus: I am a little girl seven years old. I would like for you to bring me a willow doll cart and some paper dolls and a painting set and a little dresser and some candy and some oranges and some nuts. Don't forget my mother and father and little sisters. Please bring me a new dress. Bring little sister a rattle box.
Your loving friend,
VIRGINIA BROWN.

Dear Santa Claus: I am a naughty little girl but I don't mean to be and if you will bring me some Christmas gifts, I'll try to be better. I would like some covers for my doll bed, a little stove, and some toys for all of us to play with, nuts and oranges. Thanks for what you brought last year.
Your little friend,
BETTY FLEEHART, Roswell, N. M.

Dear Santa Claus: I'll try to be a better little boy if you will bring me some toys for Xmas. I am three and a half years old and like candy and nuts and oranges real well. Would like to have a little coal bucket. Please don't forget my little sister Janet Lee. She is one and a half years old.
Your little boy,
CLARK FLEEHART, Roswell, N. M.

We Again Address You

on the subject of Straight Savings, at your convenience, without frills or "red-tape." We call your attention to the following important points which are only some of the many advantages to you.

- INTEREST. Your account will be credited on January 1st and July 1st, with interest at the rate of 6 per cent per annum, not 3 per cent or less. Remember this.
- PAYMENTS. Failure to make any payment does not forfeit interest due you. It would not be fair to you if it did. Consider this while planning your Savings.
- WITHDRAWALS. These can be made at any time without previous notice. All you have to do is to bring in your Pass-book.
- SECURITY. Every dollar of your deposit is invested in Rush County or Rushville real estate mortgages. We never loan over 75 per cent of the actual cash value of the property, generally much less. Appraisements are made by a committee of the shareholders and not by the officers. Don't this look safe?
- EXAMINATIONS. We are under rigid annual examinations by the Auditor of State and are examined just the same as banks and trust companies.
- BONDS. Our active officer is under a heavy Surety Company Bond, for the faithful performance of his trust.
- INSURANCE. We carry insurance against "Day-light Hold-up" and Night Burglary just the same as Banks and Trust Companies.
- OUR AGE. We have been in business over a third of a century and are the oldest and original home for Savings in Rush County.
- DEPOSITS. Remember that no account is too small to receive our best attention and neither is any deposit too large for us to properly handle.
- REMEMBER. That all amounts that you have to your credit on December 31st begin to draw 6 per cent per annum, not 3 per cent on January 1st, 1922.
- HOURS. We are open from 9:00 a. m. to 4:00 p. m. each day and on Saturday nights we are open for your convenience from 6:30 to 7:30 p. m.
- INFORMATION. That is not set out above will be cheerfully given by the officer in charge.

AMUSEMENTS

Elaine Hammerstein Here

All the excitement of the ancient feudal days in the hills of Kentucky and a charming romance are to be found in Elaine Hammerstein's new Selznick Picture, "Remorseless Love", which will be seen for the first time in this city at the Princess theatre today and Saturday. The story is by Mary Lanier Magruder and direction was in the hands of Ralph Ince and the capable manner in which this story is told constitutes one of the most pleasing photodramas in which the star has appeared.

The story has for a background the picturesque Kentucky mountains and tells a tale of the simple mountain folk whose main concern seems to be the upholding of the family tradition of incessant warfare against their neighbors. Not the least interesting phase of the production is the warmly waged family feud between the historic Hatfields and the Morrisons. There also is a pretty love theme, well sustained suspense and a puzzling touch of mystery.

In "Remorseless Love" the star is capably supported by a large cast with Niles Welch playing the leading role. Others in the cast are Ethingham Pinto, Ray Allen, James Seeley and Jerry Devine, the latter a mite of a youngster who scores a notable success.

"Man Trackers" at Mystic

One of the most thrilling chapters from the romantic history of the Northwest Mounted Police is the basis for the story of "Man Trackers", the Universal photodrama which is to be shown at the Mystic Theatre today.

George Larkin, hero of countless serials and feature pictures, and Josephine Hill, a fascinating little blonde, play the leading roles, supported by a splendid cast.

Those who are familiar with the traditions of the scarlet-coated riders of the North will perhaps recall the incident which has been written into the plot of "Man Trackers".

A young sergeant of the Mounted loved the daughter of the inspector. His rival for her hand was the son of an influential citizen of the community. The rival plotted against him with a gang of criminals and made it look as though the young officer had shot him without provocation. He was sent to prison, cashiered out of the service and utterly disgraced. His return to right his wrongs was one of the most dramatic events of the north country not long ago, and has been perpetuated in this picture with a smashing climax of amazing unexpectedness.

Magnificent scenery furnishes a background of unusual splendor against which the dramatic events of the story are enacted. The cast includes, Al Smith, Barney Furey, Ruth Royce, Harold Holland, Ralph McCullough and others equally popular. Edward Kull directed the picture.

Santa Claus Letters

Continued from Page 7

Dear Santa Claus: I am a little boy three months old. I live on South Main street. I would like for you to bring me a rattle box, a rubber ball and candy, nuts and oranges.

Your loving boy,

LOWELL PERKINS.

Dear Santa: Please bring me a drum, horn and an automobile and garage to put it in and a train and some handkerchiefs from Mrs. Havens' and Sallie's store with boys and dogs on them. Don't forget my daddy. He is at Charleston and I live at Uncle Gus's and some bananas.

Your little boy,

EDGAR EUGENE BALL, Jr.

Dear Old Santa: Please bring me a few blocks, some books, box of soldiers, if you have any, a little telephone, two men in a swing, a new overcoat, pair of shoes, a few oranges. Don't forget Charles Armstrong, he wants a red auto like mine. Would like a Jack-in-a-box. That's all.

Good bye,

NORMAN WILSON.

Dear Santa: Will you please bring me a little washtub and a wringer, a rocking chair, lots of books and don't forget to bring me some candy, nuts, bananas and oranges.

Your little girl

DORIS CRUM.

Dear Santa Claus: I am a little girl seven years old. I go to the Havens school. Please bring me a rain cape, a picture book, a sewing

machine, candy, nuts and oranges. Don't forget my mother, father, sister and brother.

Your little friend,

JEAN WAINWRIGHT.

Dear Santa Claus: I am a little girl 8 years old. Please bring me a doll, push cart, candy, nuts, apples, oranges. Don't forget my mother and father.

Your little friend,

MARY ALEXANDER.

Dear Santa: Please bring me an erector set No. 4, also a pair of bedroom slippers, a waste basket for my desk. Also a desk lamp and a cow-boy suit with gun, bullets and a holster with a belt. Candy, oranges, bananas, nuts and chewing gum. Thank you, Santa.

Your little friend,

RICHARD W. HAYDON.

Dear Santa: Please bring me a fire truck, a pair of gloves, candy, nuts and oranges and don't forget my baby brother. He would like to have a hobby horse.

Your little friend,

LEWIS GLOVER.

WEALTH POURS FROM OIL

Osage Indians Reap Harvest From Royalties, Commissioner Says

(By United Press)
Washington, Dec. 9.—The oil boom added 15,000,000 more to the already great wealth of the Indians of the Osage reservation, the commissioner of Indian affairs made known in his annual report today. This sum represents royalties and bonuses on more than 20,000,000 barrels of oil produced on the Osage reservation.

Increasing numbers of Indians are taking up farming, the report stated. Fifty thousand of them are now cultivating land 13,000 more than last year. The gross value of crops on one reservation exceeded \$11,000,000, the report showed.

The Indian population showed a small net gain over last year the report stated. Health and educational conditions were reported excellent.

TO TAX PROFESSIONALS

Chicago, Dec. 9.—Mayor Wm. H. Thompson announced appointment of a city athletic commission of three members. The newly created sport governing body will levy a 3 percent tax on all unlicensed contests, such as wrestling matches and billiard tournaments. A bill before the city council however, would increase this tax to include all professional sports, even major league base ball.

JOHNSON SAYS HE CAN EAT ANYTHING

Farmersburg Man Tells How He Built Himself up to Renewed Strength

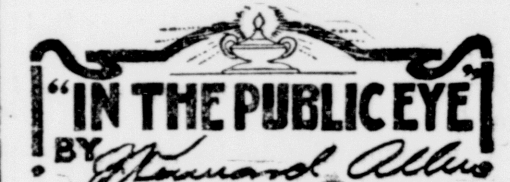

"Whatever it takes to build a man up and make him feel fine all the time, Tanlae has it," said J. Dana Johnson, Farmersburg, Ind.

"I was in wretched health for four years, and for the last two years especially had been bothered with stomach trouble and was feeling run down and worn out.

"The first thing Tanlae did for me was to give me an appetite, and, almost before I realized it, I was able to eat things I hadn't dared touch for years. Tanlae simply put my stomach in first class order and I feel fine all the time now."

Tanlae is the result of years of study, experimentation and research by some of the world's greatest chemists. Hence its merit.

Tanlae is sold in Rushville by B. Johnson Drug Co. and by leading druggists everywhere. Advertisement.

TIME TO CONSIDER NAVAL PROPOSALS

Average Naval Reduction Possibly
Will be as Large in Proportion
as The "Will to Peace"

BRYAN'S CONFERENCE VIEWS

Great Question is Whether Spirit of
Friendship Can be Restored, With-
out Which Peace is Futile

By WILLIAM JENNINGS BRYAN.
(Copyright 1921 by U. P.)

The postponement of the question of land armaments gives time for the consideration of the proposals made with a view to aiding in the reduction of armies.

While local conditions will necessarily play a large part in determining the action taken by each nation much will depend upon general principles that will apply to all alike.

In other words, the average reduction possible will be as large in proportion as the "will to peace" which to use Secretary Hughes language takes the place of the will to war. Anything, therefore which will increase the sense of security will decrease the army estimates just as any suggestion of future wars will tend to increase the army estimates.

Friendship is the only thing that can be substituted for both fear and greed and the United States is the only nation that is in a position to contribute largely toward the re-establishment of friendship. As long as the United States demands from the allies the repayment of ten billion dollars loaned, the allies will feel justified in collecting this amount from the enemy nations. Even if payment to the United States is possible postponement of payment from enemy nations will be expected. Thus the U. S. may contribute to the condition that will prevent the re-establishment of the friendship necessary to world peace to cancel the debt in favor of the allies would not produce the desired results.

It might even aggravate the situation and result in the expenditure of the amount in preparation for another war. France justifies the retention of the arms on the ground that Germany contemplates aggression. Whether this be true or false can be determined by an investigation—that is so far as preparation for aggression is concerned. But a reopening of the war depends more upon the spirit of unfriendliness than upon actual preparations.

The great question is whether the spirit of friendship can be restored, for without this all peace plans are futile. Can the United States use this indebtedness to re-establish real friendship between the nations at war?

Can reconciliation be affected by an equitable distribution of the ten billion among the European nations, allies and enemies? If so cannot the U. S. afford to use a debt of doubtful value to purchase a benefit of incalculable value? If such a use of the debt generated a world disposition towards peace the U. S. will soon save more than ten billion by the reductions which it will make possible in army and navy appropriations. The alternative course may cost the U. S. many times the debt, not to speak of the loss of an opportunity for supreme service to the world.

Second Number of Mattox Circle's
Lyceum Course Proves to be
Attractive Entertainment

NORMANDY CONCERT CO. NEXT

The Kenilworth Glee Club, composed of four ladies, gave a very clever musical concert last evening in the St. Paul's M. E. church, it being the second number of the lyceum course being given in this city under the auspices of the Mattox Circle, Ladies of the G. A. R.

The entertainers proved themselves to have high musical ability and their program consisted of solos, duets, quartets, piano selections and banjo numbers. The ladies made quite an impression on the audience with their old time melodies and banjo selections. The pianist, who acted as accompanist gave several instrumental selections which were of a high classical order.

The next number of the Lyceum course will be given January 11 and will be rendered by the Normandy Concert company.

GIRL DIES ON THE OPERATING TABLE

Gertrude Jones of Falmouth Expires
in New York Hospital Where
She Went For Operation

FACE DISFIGURED BY BROTHER

Vain Attempt to Prepare For Place-
ment of Glass Eye to Take Place
of One Shot Out June 19

Gertrude Jones, age 22 years, a well known young woman of Falmouth, and assistant cashier in the bank of that place, died yesterday afternoon during an operation in a hospital in New York City, according to word received last night. Miss Jones was seriously wounded on June 19 when her brother Cary shot her through the right eye, and committed suicide after badly disfiguring his sister.

The wound from the shotgun penetrated her right eye, and tore away a portion of her eye lid and a piece of the bone, making an operation necessary for the placement of an artificial eye, and she died from weakness due to the ether, while on the operating table yesterday afternoon.

Miss Jones had recovered from the effects of the injury at the Dr. Sexton hospital last summer, and as the wound had mended, she left about six weeks ago for the New York hospital for the operation to have a glass eye set in place.

An operation was performed three weeks ago, whereby the specialists grafted new skin to form the eyelid, and the operation yesterday was to place a new piece of bone in the socket and remove the eyeball. The message received here stated that she could not hold up under the influence of ether and her heart failed.

It will be recalled that on the night of June 19, Cary Jones, her brother, entered a room where his sister had just entered, and fired at her within close range with a shotgun, and then turned the gun on himself, killing himself instantly.

His motive was believed to be jealousy over the company that his sister was keeping. Miss Jones remained in a serious condition for several days, but gradually recovered.

COURT WITHHOLDS JUDGMENT IN CASE

Ora Patterson and Isaac Wells
Plead Guilty to Charge of Steal-
ing an Overcoat

A. H. SWAIN FILES AFFIDAVIT

Divorce Case of Russell Faust
Against Louva M. Faust of Car-
thage Heard by Special Judge

Two men, Ora Patterson and Isaac Wells, were arraigned late yesterday on a charge of grand larceny, each pleading guilty to the charge, and Judge Sparks withheld sentence for the present, and allowed the young men to go on their own recognizance.

It was charged in an affidavit signed by Alva H. Swain, that they stole an overcoat on the night of November 6 from Charles Linville. The prosecuting witness did not appear with the men, which accounted for the judgment being withheld for the present.

In the circuit court today a divorce suit occupied the court, with Thomas M. Green acting as special judge. The case in which Russell Faust is plaintiff and Louva M. Faust defendant, attracted considerable interest from the Carthage neighborhood where the two parties reside.

The evidence was slow this morning and the case was still in progress this afternoon.

A motion to modify the decree and for a new trial was filed by the defendant, Anthony Locke, in the divorce suit heard here recently, in which Mrs. Emmogene Locke was granted a divorce and \$3,850 alimony. The parties reside in Connersville and the case was sent here on a change of venue. Gates Ketchum heard the case, acting as special judge.

Two new suits were placed on file today, one being filed by Samuel L. Patterson, against John T. Meek and Elbert E. Meek of Greensburg, the complaint being to collect on a note, in which judgment amounting to \$5,800 is demanded.

According to the complaint, the defendant negotiated a loan for \$5,175 and it is past due, which with interest and attorneys fees, accounts for the total demand being for \$5,800.

Louie E. Jacobs, a resident of Center township, is plaintiff in a divorce suit against Fred Jacobs, the complaint alleging cruel treatment. According to the complaint, they were married in October 1920, and separated on November 23 of this year.

Mrs. Jacobs, the plaintiff, alleges that her husband talked about living with a woman in Muncie, whom he loved better than his wife, and that he is now believed to be living with her in that city. She asks \$250 alimony and an absolute divorce.

SPECIAL BLANKS PREPARED

The schools of the county also are observing this week in connection with the educational program, a series of lessons along the line of National Safety week, in order to get before the pupils and the public the laws concerning the safety of school children.

County superintendent W. E. Wagner has prepared blanks for the parents of the school children, in which violations of the laws regarding the safety devices, should be brought to the attention of the officials, and prosecution started to prevent accidents.

The blank has a place for checking off the violations noticed, and the name of the person using the blanks will not be divulged unless in legal necessity.

The first blanks to be checked is where a driver of an automobile drove past a school hack that was standing still, loading or unloading school children.

The second check is where a motorist was seen driving past a school building at an excessive rate of speed.

The next space to be checked is where a school hack driver failed to bring the hack to a dead stop and send a responsible person ahead to determine if railroad or traction crossing is clear of any trains, before the hack passes over the tracks.

To be used for any other condition that unlawfully imperils the life of a school child.

The blanks are prepared with spaces for the person to fill out, giving the license number of the auto-

AGREEMENT TO BE ANNOUNCED MONDAY

Announcement That Will Thrill
World Will Probably Be Made at
Arms Conference Session

JAPAN ACCEPTS NAVAL RATIO

Washington, Dec. 9.—Sweeping success of the arms conference was assured today.

Agreements on major problems before the conference that will thrill the world probably will be announced at a plenary session to be held Monday or early next week.

The Japanese delegates today gave definite assurance to the British representatives that the 60 per cent capital ratio allotted her in the Hughes limitation of naval armament program had been accepted by Tokyo. General approval at least already has been given by the United States, Great Britain, Japan and France to the quadruple Pacific entente of these powers which the United Press a week ago exclusively announced had been arranged by the "big three."

Tokio, however, awaited upon the solution of several details respecting naval holdings in Pacific before final signature is attached. The Japanese still stand on their original position of creation of no naval basis in the Philippines and Guam, such as it is understood America has planned.

These agreements, according to the best information, are to be received officially by the plenary session in much the same dramatic manner as Secretary of State Hughes opened the conference and startled the world with his sweeping program for limitation of naval armament.

The four power agreement which is to preserve the peace of the Pacific and scraps the Anglo-Japanese alliance, probably will be made public within the next few days, possibly at the plenary session.

"CLOSE THE GAP" IS WHITE'S PLEA

Speaker at Get Together Banquet
Urges Reduction of Difference in
Farmers Selling and Buying Price

TWO HUNDRED ARE PRESENT

Chicago Advertising Man Empha-
sizes Importance of Farming and
Consideration That it Deserves

"Close the gap between the price the farmer receives for his products and the price he pays for the necessities he must buy," was the theme of Frank B. White of Chicago, advertising expert and managing director of the Agricultural Publishers' Association, at the banquet Thursday night for city and country business men at the Knights of Pythias building, which was the closing event of the Rush county Products Show that opened last Monday.

The crowd of two hundred persons present was in excess of the number expected, and close attention was given the speaker throughout the hour's discussion of community problems and the relationship that should exist between city and country people.

Fred Bell, president of the Rush County Farmers association, presided and introduced the speaker. Seated at the table with the speaker besides Mr. Bell were Harry McMillin, Cliff Winslip, Judge Will M. Sparks and Ernest B. Thomas.

Homier Cole's orchestra played a number of selections while the crowd was assembling and during the serving of the bountiful and delicious chicken dinner by the Pythian Sisters. Miss Louise Innis offered a reading which was vigorously applauded, before Mr. White was introduced, and the banquetters stood and sang "America."

In presenting the speaker, Mr. Bell congratulated Rush county on the good feeling which had been engendered between the city and country people and expressed the hope that so much time would not elapse between this and the next get-together as has passed since the last one. "We are meeting to advance our common interests," said Mr. Bell. "And in improving our conditions, we are only fitting ourselves better to serve in the capacity in which we are daily employed. If we are working simply to accumulate wealth, we are not fulfilling our mission, but we are taking up a lot of valuable space which should be utilized by some one willing to serve the community in which he lives."

Mr. White put the crowd through a lot of gymnastics, such as "skipping the cat" and "rowing a boat" which he said, got the blood in circulating and put his hearers in a better frame of mind. He also told a few good stories which did place the people in the audience in a receptive mood and ready to listen attentively.

He talked along the lines of community building and started out by saying that a community, in order to have a place in the world, must have good people, good farmers, good merchants, good schools, good doctors, good churches, good lawyers, good bank, good highways, good shipping facilities and good homes. He went on to say that the United States, and especially this section of the country, is dependent more or less on the agricultural pursuits and that any community, in order to make the progress that it desires, must take into consideration the farmers' interest. The speaker, on continuing, referred to the fact that a very large percentage of the successful business men of the country today were reared on farms. Young men from the farms are today attending agricultural schools and returning to the farms with an enlarged vision. Then, the speaker said, agriculture tends to lead to independence and inasmuch as 60,000,000 people out of the 100,000,000 people of the United States are dependent it is easy to see that anything that will overcome this condition is of vast benefit.

Mr. White presented figures showing that there are ten times as many persons engaged in farming as in the next largest occupation. The rural population of the United States is 53.8 percent of the total population.

Merril Couch of Newcastle Pleads
Guilty And is Fined

Merril Couch of Newcastle, who was arrested by the deputy state game wardens while hunting in northern Rush county without a license admitted late yesterday that he had not taken out a license and pleaded guilty, receiving a fine of \$5 and costs, amounting to \$21.70.

Couch after being arrested stated that he left his license at home, and as security left his shotgun in charge of Justice Stech, returning here late yesterday afternoon, and changing his plea. A companion of Couch, who also was arrested, produced his license and was released.

COUNTY MEETING SET FOR TUESDAY

Annual Convention of Rush County
Farmers Association Will be
Held at Graham Annex

PROGRAM ANNOUNCED TODAY

Committees Are Appointed and Final
Preparations Are Made—An-
nual Reports to be Made

The annual meeting of the Rush County Farmers association, the program for which was announced today, will be held at the Graham Annex auditorium next Tuesday. The morning session will be devoted to the reports of officers and committees, in the afternoon there will be short talks by the president and vice-president, with the election of officers and a round table discussion as the last order of business.

Each township association will be represented by an accredited list of delegates, who will have voting power. Others in addition to delegates, of course, will be present and are urgently requested to attend, because many matters of utmost importance and interest to the farmers of the county will be discussed. Each township association will be entitled to one delegate for every ten members or fraction thereof.

Fred Bell, president of the county association, has announced the appointment of the following committees in preparation for the convention.

Credentials—Composed of 1920 residents of township associations. Resolutions—A. L. Gary, chairman, Harry McMillin and Harold Seall.

Auditing—Phil Wilk, chairman John Davis and Ferd Retherford.

All of the township associations have held their annual meetings, with one or two exceptions, where meetings will be held between now and Tuesday, and preparations are practically complete for the convention. The morning and afternoon program has been arranged as follows:

Morning

Invocation.
Report of Secretary.
Report of Treasurer.
Report of County Agent.
Report of Credential Committee.

Afternoon

Music by Rushville School Girls' Glee Club.

MURDER CASE IS READY FOR JURY

Lorenzy Ashcraft, Accused of De-
liberately Killing Raymond Craig,
Last on Stand

ACCIDENTAL, HE CLAIMS

State Demands Death Penalty in
Trial Beginning at Connersville
Thursday—Jury in 3 Hours

(Special to the Daily Republican.)

Connersville, Ind., Dec. 9.—The fate of Lorenzy Ashcraft, charged with murder in the first degree, was in the hands of the jury late today, with the state demanding the death penalty and the defense putting up a plea of accidental shooting, in which Raymond Craig of Rushville was shot and killed about two weeks ago.

The trial began here yesterday and only three hours were required to obtain a jury, and on account of the small number of witnesses, the defense finished up this morning with Ashcraft taking the stand in self defense.

Ashcraft told the jury that he and Craig were friends and were planning a hunting trip, and that the shot was fired accidentally, just as Craig was getting out of his automobile truck, near the north end of Connersville.

The state contended that the shooting was with deliberate intention, and that following the shooting, he gave himself up, stating that he had just killed a man.

Ashcraft is 29 years old. His first plea was said to be on grounds of insanity, but his attorney presented the case on grounds of accidental shooting.

The defendant was the last witness just before noon today, and arguments began at one o'clock this afternoon, with an hour for each side.

Judge Springer was preparing to instruct the jury after the conclusion of the two hours of arguments, which would give the case to the jury for their verdict at about 3:30 this afternoon.

POLICE, INJUNCTION HOLD STRIKERS AT BAY

Guards Ready to Bring Machine
Guns and Tear Gas into Play in
Chicago Labor Warfare

NEW OUTBREAKS ARE FEARED

(By United Press)

Chicago, Dec. 9.—Packington was held at bay today by a contingent of mounted police armed with shot-guns and a federal injunction.

Guards were ready to bring machine guns and tear gas into play against striking employees of the packers.

"Cossacks, down the cossacks," was shouted from the crowd and third story windows as the mounted police and motorcycle guards passed houses of the strikers back of the yards.

Renewed outbreaks of the riots after 200 persons had been injured were feared by authorities today as wagons joggled from the packers' barn and trucks thundered down the streets of the district.

As whistles blew summoning the "strikebreakers and loyal employees" to work and as the big doors of America's meat center swung open, police massed their forces to prevent riots and picketing at the gate, thus enforcing the injunction put in force by Judge Denis E. Sullivan.

DARING PRISON ESCAPE

Little Rock, Dec. 9.—Tom Slaughter, notorious Arkansas bandit and murderer, escaped from the penitentiary at 2:30 o'clock this morning taking with him six convicts—one white man and five negroes. An "outside friend" smuggled a revolver to Slaughter in the death cell.

FAVOR IRISH PEACE TREATY

Majority of People of Ireland Rally to Support of Pact

Dublin, Dec. 9.—A majority of the Irish people today rallied to the support of the four cabinet members who favor acceptance of the peace treaty with Great Britain. Presi-

dent De Valera and two other cabinet ministers oppose it. The press of Ireland is unanimously in favor of the pact. Unbiased authorities who should know the real feeling of the people informed me there are three persons in Ireland who would vote in favor of the treaty to every one against. It is considered likely the Dail will ratify by a narrow margin. It has been called to meet Wednesday.

Wagner, who in turn will take the matter up with Prosecutor Stevens. The blanks have been furnished to the school principals, who in turn will give them to the patrons of the school, and the public is asked to assist the officials in enforcing the laws for the protection of the school children.

ULSTER TO COMPLAIN

Londo, Dec. 9.—Ulster's objections to the Anglo-Irish peace treaty were to be presented to Premier Lloyd George today by Sir James Craig. The Ulster leaders complaint is said to be that financial clauses in the pact would enable the south of Ireland to impose unjust tariffs on Ulster.

STEAL DIAMONDS, WHISKEY

Indianapolis, Ind., Dec. 9.—Five "hi-jackers" who said they were revenue collectors, rushed into a home in Louisville, Ky., about midnight last night, stole \$4,000 worth of diamonds and \$299 in cash and "confiscated" twenty-two cases of bonded whiskey.

Says Cox is President

Mishawaka, Ind., Dec. 9.—Cox is president of the United States. Henry Ford is the "head man" of the United States.

Harding was elected by the democrats.

No, these are not some answers to Edison's queries. They are just a few bits of valued information gleaned by immigration officials of Mishawaka in the naturalization examination. Only twenty-seven of sixty-nine applicants passed the examination.

It is said that First Baseman Joe Harris, who jumped the Cleveland team, is anxious to be reinstated and return to the Indians.

Bright Spots in News

Columbus, Ohio—Health department records today showed Mrs. James Carpenter, colored, 28 years old had given birth to her fifteenth child. Ten of the children are living.

Cleveland, Ohio—"Tot dogs" are essential to education at Western Reserve. Students say "dogs" aid them to master their subjects. A weiner vender at the campus entrances does a thriving business between classes.

Washington, Penna.—Washington and Jefferson football players are back at work preparing for their game Saturday in Detroit with Detroit university. The squad will leave Thursday night for Detroit.

New York.—Mike McTigue, Canadian middle weight champion, won the referee's decision after a 15 round bout last night with Jeff Smith, Bayonne.

Chicago—Otto Witschrek craved wild duck. A game warden alleged he found Otto shooting specimens on exhibition in Jackson park at night with a Maxim silencer on his gun.

Trenton, N. J.—John Taylor's car broke down on the road so he summoned George Ulrich, undertaker and embalmer presented the machine to him and went blithely on his way.

Chicago—College fraternities aren't Hell raisers anymore. They are instruments of service to mankind. Don Almy told the national interfraternity conference here.

New York—Otto Schmidt attracted attention by hitching along the sidewalk in a chair. Closer investigation showed him wired to it. "Burglars," he gasped when the gag was extracted.

Pittsburgh, Pa.—"I didn't know the law," pleaded Patrolman Rufus Pinkney, colored, when arraigned on a charge of having two wives.

"CLOSE THE GAP" IS WHITE'S PLEA

Continued from Page One

tion and the farmers represent 52 per cent of the purchasing power of the country. Continuing, he pointed out that two-thirds of the farmers own their homes while two-thirds of the people residing in cities rent. The speaker asked if after considering all these facts if it did not look reasonable to conclude that the farmer is a mighty factor in the nation and wanted to know if it wouldn't pay to enlist his co-operation in the betterment of the community.

"A good community," said Mr. White, "must be a good trade center. It must have good people, good farmers, good merchants, good lawyers, good schools, good churches, good doctors, good newspapers, good hanks, good highways, good shipping facilities and good homes."

"The welfare of the farmer must be given first consideration for the farmer is the producer, directly or indirectly of nearly everything we eat and wear. The farmer is not the hayseed that the city folks were formerly in the habit of calling him. In 1917 47,000 boys returned to the farms from the agricultural schools and half as many girls from the domestic science schools and colleges returned to the farms. This means better production in the future."

"In the average town there is a trade center taking in a radius of about 10 miles either way."

"In 1906 it took an hour and a half once within a week with a horse and buggy to go to the trade center. In 1917 it took 20 minutes with an automobile to go from the farm to the trade center. Distance has been eliminated and as a result the farmer takes his family in the car and he goes to town after a hard day's work, his team is resting and he comes back refreshed. Seventy-five per cent of the automobiles are sold to farmers."

"Farming is a business that requires more capital than the average business. The farmer that hasn't a capital of \$25,000 these days is not considered much of a farmer. The farmer today must be a business man. Fundamentally he is a laborer so he is in sympathy with the workingman. He is not only a business man and a laboring man but is a capitalist as well, so he is in sympathy with all classes. Labor unions in the cities today are flirting with the farmer and when these two big forces combine there is nothing that they will not be able to do. Commerce of America today rests on a tripod—capital, labor and agriculture."

If there ever was a time when we should be neighborly with our farmer, help him in every possible way, urge him to sit tight and pursue a neighborly course, it is now. It is the individual effort that is also going to count in these days. The getting while the getting is good will prove a boomerang, and some of us are already feeling the effects of it. It is time for us to quit talking about profits, big business and profits and get down to fundamentals, put our feet on the ground and consider whence comes our bread and butter. Unless we do this we will have to grow our own potatoes or go without."

Mr. White strongly favored the "Own a Home" movement and cited the fact that two-thirds of the country people own their own homes, while two-thirds of the city people are renters. He urged the farmers, the business men and the heads of the commercial organizations, to get behind every movement that would result in the erection of more homes. He also cited the fact that a recent investigation demonstrated the fact that ninety per cent of the personal of all business, including bankers, merchants, and in every line had been born on a farm and had left the farm because farm life had not made attractive enough.

UNCOVER GANG OF THIEVES

South Bend, Dec. 9.—Railroad detectives and local officers declared today they had uncovered a gang of thieves who systematically looted South Bend and Mishawaka stores in the arrest of L. C. Green, proprietor of the L. C. Gross, Overall Co. Their loot to date was said to total \$75,000. It is charged Green was the fence.

CAPACITY OF ARMY HALL TAXED BY CROWD

Col. Addie Preaches Powerful Sermon Addressed to Backsliders at Thursday Evening Service

URGES RETURN TO FIRST LOVE

The Salvation Army revival which is now in progress at the Army's building in Pearl street and is being conducted by Colonel J. C. Addie of Chicago and Captain J. W. Westbrook of Texas, is growing in interest and enthusiasm. The capacity of the hall was taxed last night when Col. Addie preached a powerful sermon, addressed mostly to backsliders and Christian people who have lost that real vital experience. Instead of being like a great river of living water flowing incessantly to bless, they have become an inactive pool, only to breed stagnation, the evangelist said.

He urged those who had lost their first love to return to their early experience and begin their Christian duty again in dead earnest. At the close of his address two persons arose and came kneeling at the altar for prayer.

This evening Colonel Addie's subject will be "The Up-line to Heaven and the Down-line to Hell". The services begin each evening at 7:30 o'clock in the Army's hall in Pearl street. The program for Monday evening's wind-up service in the court house has been completed. Samuel L. Trabue will be chairman at that time. The entire program will appear in this paper tomorrow.

MERRITT BARTHOLOMEW DIES

Announcement has been received of the death of Merritt Bartholomew, who at one time was head of the Rushville police department, who died on November 24 at his home in Portland, Ore. The deceased left here several years ago, but will be remembered by many of the older people. A sister, Mrs. John Marsh of Milroy is among the survivors.

The County's Greatest Need

The Rush County Products Show, above all other things, clearly demonstrated what Rush county's greatest need is. He is a very poor observer, indeed, who did not appreciate it after a visit to the exhibits in the Kirkpatrick garage and the court house.

A coliseum, a stock pavilion, or under any term you may see fit to designate it, is fast becoming a vital necessity to the proper conduct of affairs in Rush county. The products show only offers another argument in favor of such a project.

The need has been realized for several years, and the show only brings the realization closer home when farmers discover that there is no place where they may make an exhibit of their entries to advantage in any kind of a show. The county products show, of course, has come to stay, especially since the county fair is no longer held.

In the end, the products show at this season of the year will be more satisfactory in producing results than was the county fair, the original purpose of which was lost sight of in the demand of patrons for pleasure. In passing, it might not be amiss, to remember that the county fair failed largely because farmers lost interest in the competition for prizes, and that the annual exhibit was perverted to satis-

fy the inordinate desire for cheap shows and concessions.

The county products show demonstrated that it meets the desires of farmers by the number of exhibits which were entered and makes clear that it will survive. This is due in a large measure to the fact that farming has shown great improvement since the days of the county fair. The farmer has made greater strides in the last ten years than any other business man. This has been seen in Rush county by the modern methods which have been adopted and the tendency of farmers generally to raise only pure breed stock.

A coliseum would not only provide a place for the annual products show, but would afford a community center around which all activities would revolve and would serve to bind the community closer together and make it a more compact and therefore more successful place.

A coliseum would make it possible to enlarge the scope of the products show to include all classes of live stock and would also provide a place for holding public sales, which are a development of the new era in farming. Social activities and amateur athletics would also be benefited to a great extent.

Such a project was once presented to the voters of Rush county as a memorial to Rush county's soldiers in the world war, but it was turned down. Knowing what they do now, it is believed farmers would hesitate before they voted against such an undertaking. To go ahead as it should and make the most of its opportunities, sooner or later, Rush county must have a coliseum.

Someone said that it doesn't pay to monkey with the golden rule, a fact which many folks discovered long ago.

Don't allow the other fellow to value your own time. He might embarrass you by overshooting the mark.

To be popular you should listen to the troubles of others. They have no time to waste on yours.

If you don't want to be known as a nuisance don't run around with a grievance.

Mortality in this country is on the decrease, except in cases where some fool steps on the gas.

Aid the Preacher

The preachers of this town are doing their best to make it a better place in which to live.

Come and work with them, side by side. Do not sit in the bleachers and scoff.

Approved means that the Secretary of State says that they pass all state requirements. We can show you what those requirements are. NATIONAL Lens will give you as much light intensity with 21 C. P. bulbs as the other lens that have a maximum of 32 C. P. Why? Because 21 C. P. is the maximum for National, while some of the other maximums are 32 C. P., and maximums are equal,

and is the greatest amount of light permissible. In focusing bulbs for National lens, they are focused with full circle of light others have to focus to a black spot. 21 C. P. against 32 C. P., with the same light intensity means that it will be easier on your battery. You have lots to learn about lens. Mr. Taylor, of the Secretary of State's office, says that 32 C. ODD FELLOWS ARE OUT OF LUCK, LOSE

Independents Are Defeated by the
Greensburg Y. M. C. A. Aggre-
gation Thursday Night, 34 to 24

FIRST A SEE-SAW AFFAIR

Jinx Follows Locals on Hitting Bas-
ket and Guards Weaken in Last
Half, Allowing Goals

The Odd Fellows basketball team again played out of luck last night on the Greensburg floor, when the Y. M. C. A. team of that city won from the local team in the last half of the game by the count of 34 to 24.

The first half was a see-saw affair with Rushville having the best of the game, and when the period ended, the score was 12 to 10 in the locals favor. The first few minutes of the last half was a real battle between the teams, and the score was frequently tied.

Rushville played in good style and carried the ball through the Greensburg defense time and time again, but a jinx followed the locals on hitting the basket, as the ball wouldn't land safely through the net. The feature of the game, was several long shots made by Shaw.

In the last half the guards for Rushville weakened and allowed Greensburg to score several shots which should not have been made. McCoy and Eckel, forwards for Greensburg, played a fast game in the last half and took advantage of several openings.

Brown and Tittsworth started at the forwards positions for the Odd Fellows, and each were guarded closely from beginning to end. Thorpe replaced Brown toward the end of the game, and he connected for two good shots that helped boost the locals score.

Norris and Becker played at guard for the locals, and the services of Petry were missed at the back guard position. Stoops also was in uniform and played a portion of the game at guard. Shaw at the center position showed up well, and scored one-half of the points, making three field goals and six foul goals.

One of the biggest games of the season will be played here Tuesday night when the Shelbyville Independents will come for a game. The locals will have to exert themselves in order to win this game, and the fans will be treated to a real contest.

The line-up and summary of the game last night:
Greensburg (34) Rushville (24)
McCoy F Tittsworth
Eckel F Brown
Meek C Shaw
Jenkins G Norris
Richards G Becker
Substitutions, Greensburg, Amos for Meek; Rushville, Stoops for Becker, Thorpe for Brown. Field goals, Tittsworth, Brown 2, Shaw 3, Becker, Thorpe 2, McCoy 5, Eckel 4, Jenkins, Richards, Amos 2. Foul goals, Shaw 6, McCoy, Eckel 4, Meek. Referee Wiley.

WEBB GIRLS WIN

The girls' basketball team of Webb's high school defeated the girls' team of the Connersville high school last evening in the Heeb's rink in Connersville. The game was fast throughout, the final score being 8 to 6. Aileen Riggs, Von Gardner and Mildred Carwein were the point getters for the Webb team.

INTEREST CENTERS ON TONIGHT'S GAME

Richmond Palladium Comments on
Fact That Attention is Drawn
Towards Carthage

ARLINGTON BAND WILL PLAY

The attention of basketball fans throughout eastern Indiana is centered on the Rushville-Carthage game tonight at Carthage, as evidenced by a dispatch appearing last night in a Richmond newspaper, which is as follows:

With high school basketball well under way some good games are predicted for Friday night. The standing of many teams will be determined by the results of these battles.

The Carthage-Rushville game at Carthage, Friday night, is attracting much attention. This game promises to be one of the biggest battles ever staged on the Carthage floor. Both teams are great rivals and will fight from the start of the game until the last whistle.

Carthage has prepared its floor so as to accommodate approximately 1200 fans, and Rushville has made arrangements for 250 rooters to attend the game. They will be accompanied by their band. The Carthage management not to be outdone, has secured the service of the Arlington band.

ATHLETIC CLUB IN ANNUAL ELECTION

Frank Lawrence is Chosen Presi-
dent and R. M. Hutchinson Sec-
retary-Treasurer at Arlington

GYMNASIUM ABOUT FINISHED

The Arlington Athletic Club held their annual election of officers last night, and Frank Lawrence was elected president, George Wilcoxen vice president, and R. M. Hutchinson, secretary-treasurer. Three additional members of the board of directors also were elected, who are Chester Northam, Lowell Beach, A. J. Shauck.

During the year that the club has been in existence they have expended \$250 for equipment, and a comfortable surplus is in the treasury, according to the report read last night. The new gymnasium will be completed soon, and basketball games will be arranged about the first of January.

There will be a called meeting at the railroad depot on Thursday night, December 15, at which time the basis for a lease for the new gymnasium will be discussed. The Arlington club is not confined to athletes, it has been pointed out, but embraces members of the community who are advocates of clean sport, and the membership in the club is growing so rapidly that it will be a permanent and established community asset.

Jerome Caron and John McCoy of Rushville are among the members of the Arlington Athletic club.

YULETIDE BOOZE TRAFFIC

New York Prepares to Have a Dry
Christmas Season

New York, Dec. 9.—A drive for a dry Christmas was begun in New York today. Operations were centered here because this is the central distributing point for illicit liquor.

A score of secret indictments against bootleggers were reported to have been returned during the last week as part of the campaign to break up the yuletide booze traffic. Prohibition Commissioner Roy Haynes arrived here to direct the offensive which is directed at the "liquor millionaires" of the bootleg industry.

SOCIETY

The Misses Nora Jackson, Rena Rout, Katherine Williams and Henrietta Flodder were among the guests from this city who attended the dance given in Laurel last evening.

The Wi-Hub club will be entertained tonight by Mrs. Robert A. Innis and Mrs. Ralph Payne at the home of the latter in North Harrison street. The club will celebrate their twentieth birthday anniversary with a 6.30 o'clock dinner party and a clever program following.

The December meeting of the Daughters of the American Revolution will be held at the home of Mrs. Joe Amos Thursday afternoon, December 15. At this meeting the Christmas grab bag will be featured and each member is requested to bring a present not to exceed twenty-five cents.

Among the pretty social events which have taken place in this city this season was the musical given at the Elks Club in East Second street yesterday afternoon between the hours of three and five-thirty o'clock. The hostesses were Mrs. Charles A. Frazee, Mrs. Vern W. Norris, Mrs. T. Richardson Reed and Mrs. Will M. Frazee, and approximately one hundred and sixty guests were entertained during those hours.

The room was artistically decorated with French baskets of chrysanthemums, potted plants and ferns. Mrs. Arnold Spencer of Indianapolis formerly Miss Ruth Tevis of this city, rendered a splendid program of solo numbers in costume, and in her pleasing manner delightfully entertained the guests. She was accompanied on the piano by Mrs. Solomon Kiser of Indianapolis. The hostesses served dainty refreshments following the program.

The out-of-town guests included Mrs. John Brown and Mrs. C. B. Dyer of Indianapolis, Mrs. Robert Miller of Chicago, Mrs. Wendell Wilkie, of Akron, Ohio, Mrs. Ella Hadley, Mrs. Frances Hilligoss and Mrs. Charles Parker of Anderson.

Mail Order Marriage

Tipton, Ind., Dec. 9—Love's dream had a sad awakening when Mrs. Ben Overturf discovered her mail order husband was not all he represented himself to be.

Ben was thrown in jail here too drunk for examination of his wife's charges and Mrs. Overturf prepared to return to her Minnesota home.

It was just two weeks ago that Miss Louise Reibe, 40, came into town and married the man she never saw before. Their marriage was the culmination of correspondence in which Overturf told her he had a good home, good business, good automobile and was able to give her a life of comfort.

Mrs. Overturf told authorities she had given her husband \$350 which she had saved from her earnings. The break came when he brought home a pint of liquor and lay down in a drunken stupor after telling her to "go fetch my still from the automobile."

Ankle Length Again

By WILFRED FLEISHER
(U. P. Staff Correspondent)

Paris, Dec. 9—The skirts that bloom in the spring tra-la- are going to be ankle length.

This was revealed to the United Press here today by M. Molyneux, noted parisienne style expert as the dress makers began to evolve a plan for spring women's wear.

Long tight sleeves will replace the present flowing style Molyneux declared. Gowns will remain loose with low waist lines.

"The light grays and sombre yellows of the present season will run into a riot of violent and apple green for spring, he said. The colors for the most part will be what you call 'loud'.

"Plain crepes and fancy silks will be the most favored trimmings. They also will be widely used in dresses.

"Lace and embroidery will not be used."

New York—Edmund Varchetta hit his 29 year old fiancée on the head with a hatchet because, he told the judge she didn't appreciate the \$7,000 he spent on her.

What A Difference It Will Make

The clothes you wear every day should be given a regular trip to our dry cleaning establishment every few weeks in order to continue them in perfect service.

The methods which we employ will make the garments last double their guaranteed service. Even the most delicate fabric is handled so carefully, that dry cleaning is the pronounced method of cleansing. Overcoats, capes, fur coats, plush and other novelty coats are steamed and cleaned perfectly.

We Again Address You

on the subject of Straight Savings, at your convenience, without frills or "red-tape." We call your attention to the following important points which are only some of the many advantages to you.

INTEREST. Your account will be credited on January 1st and July 1st, with interest at the rate of 6 per cent per annum, not 3 per cent or less. Remember this.

PAYMENTS. Failure to make any payment does not forfeit interest due you. It would not be fair to you if it did. Consider this while planning your Savings.

WITHDRAWALS. These can be made at any time without previous notice. All you have to do is to bring in your Pass-book.

SECURITY. Every dollar of your deposit is invested in Rush County or Rushville real estate mortgages. We never loan over 75 per cent of the actual cash value of the property, generally much less. Appraisements are made by a committee of the shareholders and not by the officers. Don't this look safe?

EXAMINATIONS. We are under rigid annual examinations by the Auditor of State and are examined just the same as banks and trust companies.

BONDS. Our active officer is under a heavy Surety Company Bond, for the faithful performance of his trust.

INSURANCE. We carry insurance against "Day-light Hold-up" and Night Burglary just the same as Banks and Trust Companies.

OUR AGE. We have been in business over a third of a century and are the oldest and original home for Savings in Rush County.

DEPOSITS. Remember that no account is too small to receive our best attention and neither is any deposit too large for us to properly handle.

REMEMBER. That all amounts that you have to your credit on December 31st begin to draw 6 per cent per annum, not 3 per cent on January 1st, 1922.

HOURS. We are open from 9:00 a. m. to 4:00 p. m. each day and on Saturday nights we are open for your convenience from 6:30 to 7:30 p. m.

INFORMATION. That is not set out above will be cheerfully given by the officer in charge.

AMUSEMENTS

Elaine Hammerstein Here

All the excitement of the ancient feudal days in the hills of Kentucky and a charming romance are to be found in Elaine Hammerstein's new Selznick Picture, "Remorseless Love", which will be seen for the first time in this city at the Princess theatre today and Saturday. The story is by Mary Lanier Magruder and direction was in the hands of Ralph Ince and the capable manner in which this story is told constitutes one of the most pleasing photodramas in which the star has appeared.

The story has for a background the picturesque Kentucky mountains and tells a tale of the simple mountain folk whose main concern seems to be the upholding of the family tradition, of incessant warfare against their neighbors. Not the least interesting phase of the production is the warmly waged family feud between the historic Hatfields and the Morrisons. There also is a pretty love theme, well sustained suspense and a puzzling touch of mystery.

In "Remorseless Love" the star is capably supported by a large cast with Niles Welch playing the leading role. Others in the cast are Effingham Pingo, Ray Allen, James Seeley and Jerry Devine, the latter a mite of a youngster who scores a notable success.

"Man Trackers" at Mystic

One of the most thrilling chapters from the romantic history of the Northwest Mounted Police is the basis for the story of "Man Trackers"; the Universal photodrama which is to be shown at the Mystic Theatre today.

George Larkin, hero of countless serials and feature pictures, and Josephine Hill, a fascinating little blonde, play the leading roles, supported by a splendid cast.

Those who are familiar with the traditions of the scarlet-coated riders of the North will perhaps recall the incident which has been written into the plot of "Man Trackers".

A young sergeant of the Mounted loved the daughter of the inspector. His rival for her hand was the son of an influential citizen of the community. The rival plotted against him with a gang of criminals and made it look as though the young officer had shot him without provocation. He was sent to prison, cashiered out of the service and utterly disgraced. His return to right his wrongs was one of the most dramatic events of the north country not long ago, and has been perpetuated in this picture with a smashing climax of amazing unexpectedness.

Magnificent scenery furnishes a background of unusual splendor against which the dramatic events of the story are enacted. The cast includes, Al Smith, Barney Furey, Ruth Royce, Harold Holland, Ralph McCullough and others equally popular. Edward Kull directed the picture.

Santa Claus Letters

Continued from Page 7

Dear Santa Claus: I am a little boy three months old. I live on South Main street. I would like for you to bring me a rattle box, a rubber ball and candy, nuts and oranges.

Your loving boy,
LOWELL PERKINS.

Dear Santa: Please bring me a drum, horn and an automobile and garage to put it in and a train and some handkerchiefs from Mrs. Havens' and Sallie's store with boys and dogs on them. Don't forget my daddy. He is at Charleston and I live at Uncle Gus's and some bananas.

Your little boy,
EDGAR EUGENE BALL, Jr.

Dear Old Santa: Please bring me a few blocks, some books, box of soldiers, if you have any, a little telephone, two men in a swing, a new overcoat, pair of shoes, a few oranges. Don't forget Charles Armstrong, he wants a red auto like mine. Would like a Jack-in-a-box. That's all.

Good bye,
NORMAN WILSON.

Dear Santa: Will you please bring me a little wash tub and a wringer, a rocking chair, lots of books and don't forget to bring me some candy, nuts, bananas, and oranges.

Your little girl
DORIS CRUM.

Dear Santa Claus: I am a little girl seven years old. I go to the Havens school. Please bring me a rain cape, a picture book, a sewing

machine, candy, nuts and oranges. Don't forget my mother, father, sister and brother.

Your little friend,
JEAN WAINWRIGHT.

Dear Santa Claus: I am a little girl 8 years old. Please bring me a doll, push cart, candy, nuts, apples, oranges. Don't forget my mother and father.

Your little friend,
MARY ALEXANDER.

Dear Santa: Please bring me an erector set No. 4; also a pair of bedroom slippers, a waste basket for my desk. Also a desk lamp and a cow-boy suit with gun, bullets and a holster with a belt. Candy, oranges, bananas, nuts and chewing gum. Thank you, Santa.

Your little friend,
RICHARD W. HAYDON.

Dear Santa: Please bring me a fire truck, a pair of gloves, candy, nuts and oranges and don't forget my baby brother. He would like to have a hobby horse.

Your little friend,
LEWIS GLOVER.

Dyed Her Faded
Curtains and a
Skirt like New

"Diamond Dyes" add years of wear to worn, faded skirts, waists, coats, stockings, sweaters, coverings, hangings, draperies, everything. Every package contains directions so simple any woman can put new, rich, fadeless colors into her worn garments or draperies even if she has never dyed before. Just buy Diamond Dyes—no other kind—then your material will come out right, because Diamond Dyes are guaranteed not to streak, spot, fade, or run. Tell your druggist whether the material you wish to dye is wool or silk, or whether it is linen, cotton or mixed goods.

IS GREEN NO MORE

"My experience with your medicine has been wonderful. My stomach and liver trouble of five years standing took a new turn two years ago when I took an olive green complexion. I spent \$1,200 with doctors and specialists only to prove that I was still as green as ever. A friend advised me to take Mayr's Wonderful Remedy, and I am green no more. My stomach and liver trouble has all disappeared." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale at druggists everywhere.—Advertisement.

WEALTH POURS FROM OIL

Osage Indians Reap Harvest From Royalties, Commissioner Says

(By United Press)
Washington, Dec. 9.—The oil boom added 15,000,000 more to the already great wealth of the Indians of the Osage reservation, the commissioner of Indian affairs made known in his annual report today. This sum represents royalties and bonuses on more than 20,000,000 barrels of oil produced on the Osage reservation.

Increasing numbers of Indians are taking up farming, the report stated. Fifty thousand of them are now cultivating land 13,000 more than last year. The gross value of crops on one reservation exceeded \$11,000,000, the report showed. The Indian population showed a small net gain over last year the report stated. Health and educational conditions were reported excellent.

JOHNSON SAYS HE CAN EAT ANYTHING

Farmersburg Man Tells How He Built Himself up to Renewed Strength

"Whatever it takes to build a man up and make him feel fine all the time, Tanlae has it," said J. Dana Johnson, Farmersburg, Ind.

"I was in wretched health for four years, and for the last two years especially had been bothered with stomach trouble and was feeling run down and worn out.

"The first thing Tanlae did for me was to give me an appetite, and, almost before I realized it, I was able to eat things I hadn't dared touch for years. Tanlae simply put my stomach in first class order and I feel fine all the time now."

Tanlae is the result of years of study; experimentation and research by some of the world's greatest chemists. Hence its merit.

Tanlae is sold in Rushville by B. Johnson Drug Co. and by leading druggists everywhere. Advertisement.

TIME TO CONSIDER NAVAL PROPOSALS

Average Naval Reduction Possibly
Will be as Large in Proportion
as The "Will to Peace"

BRYAN'S CONFERENCE VIEWS

Great Question is Whether Spirit of
Friendship Can be Restored, With-
out Which Peace is Futile

By WILLIAM JENNINGS BRYAN.
(Copyright 1921 by U. P.)

The postponement of the question of land armaments gives time for the consideration of the proposals made with a view to aiding in the reduction of armies.

While local conditions will necessarily play a large part in determining the action taken by each nation much will depend upon general principles that will apply to all alike.

In other words, the average reduction possible will be as large in proportion as the "will to peace" which to use Secretary Hughes language takes the place of the will to war. Anything, therefore which will increase the sense of security will decrease the army estimates just as any suggestion of future wars will tend to increase the army estimates.

Friendship is the only thing that can be substituted for both fear and greed and the United States is the only nation that is in a position to contribute largely toward the re-establishment of friendship. As long as the United States demands from the allies the repayment of ten billion dollars loaned, the allies will feel justified in collecting this amount from the enemy nations. Even if payment to the United States is possible postponement of payment from enemy nations will be expected. Thus the U. S. may contribute to the condition that will prevent the re-establishment of the friendship necessary to world peace to cancel the debt in favor of the allies would not produce the desired results.

It might even aggravate the situation and result in the expenditure of the amount in preparation for another war. France justifies the retention of the arms on the ground that Germany contemplates aggression. Whether this be true or false can be determined by an investigation—that is so far as preparation for aggression is concerned. But a reopening of the war depends more upon the spirit of unfriendliness than upon actual preparations.

The great question is whether the spirit of friendship can be restored, for without this all peace plans are futile. Can the United States use this indebtedness to re-establish real friendship between the nations at war?

Can reconciliation be affected by an equitable distribution of the ten billion among the European nations, allies and enemies? If so cannot the U. S. afford to use a debt of doubtful value to purchase a benefit of incalculable value? If such a use of the debt generated a world disposition towards peace the U. S. will soon save more than ten billion by the reductions which it will make possible in army and navy appropriations. The alternative course may cost the U. S. many times the debt, not to speak of the loss of an opportunity for supreme service to the world.

CLEVER CONCERT BY LADIES GLEE CLUB

Second Number of Mattox Circle's
Lyceum Course Proves to be
Attractive Entertainment

NORMANDY CONCERT CO. NEXT

The Kenilworth Glee Club, composed of four ladies, gave a very clever musical concert last evening in the St. Paul's M. E. church, it being the second number of the Lyceum course being given in this city under the auspices of the Mattox Circle, Ladies of the G. A. R.

The entertainers proved themselves to have high musical ability and their program consisted of solos, duets, quartets, piano selections and banjo numbers. The ladies made quite an impression on the audience with their old time melodies and banjo selections. The pianist, who acted as accompanist gave several instrumental selections which were of a high classical order.

The next number of the Lyceum course will be given January 11 and will be rendered by the Normandy Concert company.

A WOMAN'S NERVOUS SYSTEM You Cannot Afford to Overlook One Word of This:

South Bend, Ind.—"It is a pleasure for me to recommend a medicine that has proved so beneficial as Dr. Pierce's Favorite Prescription has from the time I developed into womanhood. It not only built me up in health and strength but toned up my nervous system. Not only do I recommend Dr. Pierce's Favorite Prescription on my own account but my sister's as well. Her suffering at times was terrible. The doctors had given her up when my mother gave her the 'Favorite Prescription' and it helped her at once and eventually cured her."—Mrs. Helen Bennett, 617½ Wenger St.
If you are run-down, nervous, see how quickly your nerves and strength are built up when you take this famous "Prescription" in tablet or liquid form. All druggists.
